## ABOUT ME

---

Creative and detail-oriented UI/UX Designer with a passion for blending aesthetics and functionality to craft intuitive user experiences. Proficient in Figma, Adobe design tools, with a strong eye for detail and usability. Also equipped with basic knowledge of HTML and CSS, allowing seamless collaboration with developers. Enthusiastic about innovative design solutions.

## SKILLS

---

**Tools:** Figma, Adobe tools, Auto CAD, Sketchup, Lumion

**Technologies:** Basic knowledge in HTML and CSS

**Core Skills:** User centric design, Wireframing, Prototyping, Responsive designing

## PROFESSIONAL EXPERIENCE

---

**CIED Technologies Pvt Ltd** - Junior UI/UX Designer

Aug 2023 - Aug 2025

- Designed user-friendly interfaces for web and mobile applications, ensuring intuitive navigation and engaging user experiences. Focused on usability, accessibility, and aesthetic appeal.
- Created wireframes, prototypes, and high-fidelity mockups using Figma, translating ideas into visually appealing and functional designs.
- Collaborated closely with developers and team members to ensure seamless UI implementation, bridging the gap between design and development while conducting usability testing to refine user interactions.
- Designed illustrations and UI elements for a game development project, leveraging visual hierarchy, typography, and color theory to enhance user engagement and create an immersive experience.

**Livspace** - 3D interior designer

Aug 2022 - Mar 2023

- Designed interiors and exteriors for residential projects, creating high-quality 3D renderings and detailed 2D drawings to visualize design concepts effectively. Ensured a balance of aesthetics, functionality, and client preferences.
- Collaborated with clients, architects, and vendors to develop and execute interior design solutions, managing material selection, space planning, and project coordination for successful implementation.
